

Effective August 1, 2025. This Schedule of Third-Party Services supersedes and replaces all prior versions.

Schedule of Third Party Services

For your convenience the Third Party Providers typically used by ZanaCore for delivery of our services, along with their governing terms and conditions, are listed below on the Schedule of Third Party Services. If the acceptance of End User Agreements (EULAs) or acceptable use policies (AUPs), is required for you to receive any Services, then you hereby grant us permission to accept the applicable agreement(s) on your behalf. You agree to be bound by the terms of all applicable End User Agreements. This Schedule of Third Party Services may be modified or updated by ZanaCore at any time, and in our sole discretion.

This list is not intended to be a complete list of all Third Party Services, and there will be Third Party Services with EULAs accepted on your behalf which are not on the list. You should assume that all software and Third Party Services have an applicable EULA and/or AUP to which your authorized users and you must adhere.

If you have any questions or require a copy of a specific EULA or AUP, please contact us.
